It has a purely vegetarian menu and the medium of cooking is mustard oil and pure ghee, however milk and fruits are also served. The school tries to make the menu as broad based as possible by including south Indian, continental dishes to provide variety. Twice a week sweet/ice-cream is served

After school activities

Study:

Option1; from 5-7p.the students are required to complete this homework and self-study under guidance of our expert teachers. From 9-11 after dinner they have to

Option 2; get enrolled for iit/medicinal coaching with whom we have a i.e. up, for this they have to pay the required amount

Recreation; there is a recreation room for students having indoor games, for outdoor games the school play facility is utilized
